We think the design of this newsletter is great as is! But, if you do not agree, you are able to make it yours by making a few minor design tweaks! Tips on updating specific features are available throughout this example text.

To change any of the text in this document, just click on the block of text you want to update! The formatting has already been programmed for ease of formatting.

You can easily change the overall colors of the template with just a few clicks. Go to the Design tab and click on Colors. From the list of colors, you can choose a different color scheme. As you hover over the different choices, you can see what the overall feel of the document will change with each different option.

Changed the color and want to go back to the original design? Easy! Just go back to the Design tab and choose the Themes option. From the list, click the option to reset the theme of this template. And just like that, your document color scheme will be restored to its original!

In the same way you change the colors, you can update the fonts of the entire document easily! From the Design tab, choose a font combination that fits your taste.

Reset the theme to restore the template to its original state!
